Importance of Looking and Feeling Best

We are dedicated to helping you achieve the best health you desire, inside and out. We are proud to offer the most advanced and highest quality treatments available to look and feel

as healthy as possible.

/24-7PressRelease/ - May 12, 2008 - At Flawless Image & Health we offer a unique approach to beauty and wellness taking a complete "inside out" approach to patient care. Our goal is to promote both the internal and external rejuvenation of our patients so they can achieve the highest possible level of well-being. We maintain the highest code of ethics while delivering excellent medical care. We offer the most up-to-date and effective anti-aging, skin rejuvenation and laser treatments for our clients in a relaxed and peaceful environment.

Our goal at Flawless Image & Health is to provide you with a customized treatment plan that will help reduce the signs and symptoms of aging and restore a youthful appearance. The mission for Dr. Macaulay is to have our clients looking, feeling, and living better and longer by delaying, preventing, and reversing the signs and symptoms of aging. Our staff is committed to access, service and personalized care to help you achieve a long life with the best quality of life attainable.

Flawless Image & Health takes pride in giving you the exclusive personal service you deserve. We are pleased to offer the finest treatments in skin and hair rejuvenation including Laser Hair Removal, Photo Facial Laser Skin Treatments and in veins using Laser Vein Treatment and also we offer Anti-Aging Medicine which includes Growth Hormone therapy.

Dr. Macaulay has been practicing Internal Medicine and Anti-Aging Medicine in New York for the past ten years. He is Board Certified in both Internal Medicine and Anti-Aging Medicine. Originally from Wisconsin, he completed his medical degree at the University of Wisconsin and an Internal Medicine residency at the University of Health Sciences in Portland, OR. He is an active member of the American Academy of Anti-Aging Medicine. Dr. Macaulay has extensive training and experience in aesthetic procedures, including Botox Cosmetic, Juvederm, Restylane, and Mesotherapy. Dr. Macaulay and his staff welcome you to experience Flawless Image & Health.
