Our Goal

Catching the Mantle believes that quality leadership training has a significant and positive impact on your business and your quality of life. **Smart business women** must find insightful and effective instruction to assist them in cultivating the holistic qualities of a leader which ultimately increases their marketability at work, in the community and their personal lives.

We at Catching The Mantle™ will assist you and your business in your journey to success.

Our L:FO2E Program

Over 8 incredibly enlightening sessions, to equip you to soar:

- Igniting your life's purpose
- Developing the vision and strategy towards your purpose
- Building a high performance team (at home, at work and in your business)
- Developing your team values for success
- Resolving conflict in a manner which keeps everyone whole
- Motivating yourself when no one else will
- Influencing people into action
- 30-minute coaching session
- Networking with other business professionals
- **And so MUCH MORE!!!**

Our Expertise

Our team is comprised of former executives and professionals each with more than 20 years experience and proven track records in leadership roles. Developed by women who have unlocked the doors to success and presented by women who will ignite the passion you have to reach your purpose! We are prepared to assist you in reaching your next level!
